22 (Internal Use Only - RJK) LIAISON Received a call from Joe Kelly, who had called earlier concerning a possible audit of certain compartmented programs. Kelly indicated that he felt the best way to proceed was to submit a letter to the Air Force setting forth GAO's objectives and requests for security clearances. Based on advice from [redacted] Deputy Legislative Counsel, I told Kelly that since the Air Force was the agency of primary interest, he should proceed to submit the letter to them. I will advise Colonel Steve Harrick, OSD/Legislative Affairs, of Kelly's call.
